

BreachRevelation Interview Experience Worksheet

Recall your previous interviews and areas you want to improve. If you have not yet interviewed for a position, list areas you have challenges when speaking to others, making small talk, when called on in class or to introduce yourself.

Appearance

General Communications

Answering questions, the hiring manager asked me

Explaining what I like to do as a job

Explaining my background

Staying relevant, on topic

Understanding questions from the hiring manager

What to ask about or not, e.g. salary, benefits, etc.

How to end the interview
